

January 2018

Dear Parents/Carers

There will be subject consultation evenings at College on Tuesday 30th January, 5.00pm - 8.30pm and Wednesday 31st January, 5.00pm – 8.30pm for parents and carers of first year students. We very much welcome the opportunity to review your daughter's/son's progress with you and the January progress grades will inform discussions. These will be made available to you following the Results' Day for students on 22nd January. The grades will be on Parent Advantage and an email will be sent to you.

Students are invited to join their parents to be part of the consultation process and are asked to make appointments for you with their teachers. You might also wish to make an appointment to speak to your daughter's/son's Progress Tutor if you feel this is necessary. Overleaf is a list of rooms being used and it would be helpful if you are aware of the names and locations of the staff with whom you have appointments.

Students will be provided with an appointment sheet, and you are advised to leave at least 15 minutes between appointments to allow for movement around the College. Guides will be available if needed.

During both evenings there will be a Higher Education Convention in the Hall. Representatives from a large number of universities will be present to answer general enquiries about Higher Education or more specific questions relating to their institutions, courses, entry requirements, financial support and accommodation. The College's own Higher Education & Careers Advisers will also be present to offer guidance about progression from QE after completion of A levels. Please feel free to visit the Convention at any point during the evenings.

I do hope you will be able to attend one of the consultation evenings to meet with staff and to take advantage of the Higher Education Convention.

Yours sincerely

Tim Fisher

Principal
