Dear Parents/Carers

There will be a consultation evening at College on Wednesday 12th December from 5.00pm to 8.30pm for parents of students in the second year of Advanced Level courses. This is an important stage in your daughter/son's course and we would welcome the opportunity to discuss her/his progress with you. Progress grades will be on Parent Voyager in advance of the evening.

As usual, an appointment system will operate and students are asked to arrange times for their parents/carers with the teaching staff. Overleaf is a list of rooms being used on the evening and it would be helpful if students informed you of the names and rooms of their subject teachers. Students are also encouraged to come along and discuss their progress with staff and parents/carers.

Representatives from universities will be in the Library during the evening to give further guidance about university entrance to students who are still uncertain about their future career plans.

I do hope you will be able to attend.

Yours sincerely

Tim Fisher
